DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a typical, local farmhouse with three bays on the main (south) facade and a small center gable. There are stove-type chimneys at either end, and an open porch crosses the front. Present siding is asbestos shingle. Behind the house is a large hay barn that is notable due to its gently-sloping gambrel roof. There are only two or three other frame barns like this in the County; including the nearby Kemp Barn, and the King Barn on Schaeffer Rd., near Germantown.
